Event Report

Date: 3rd August 2022 and 4th August 2022

Occasion/ Event Title: Photography Workshop

Organizing Club: Internal Quality Assurance Cell in Association with College Working Committee 2022

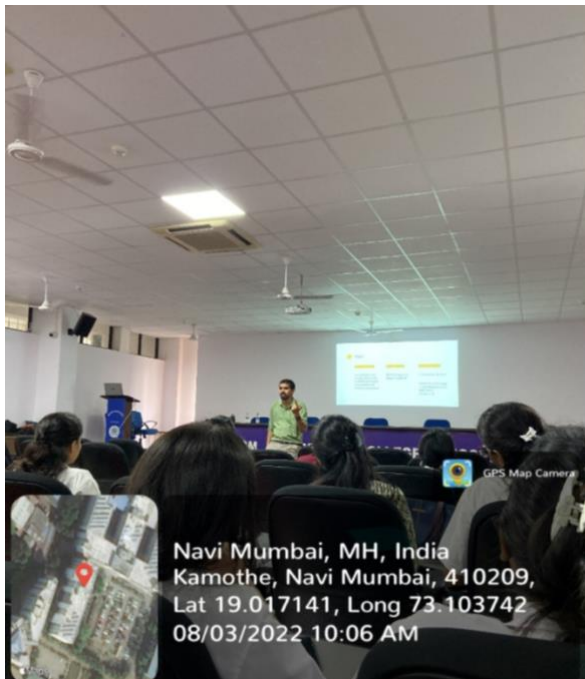

On 3rd August and 4th August 2022 A session was organized on Dental Photography for the Interns batch by Dr. Avinash Narayankar.

On the 1st day of the session a lecture was taken specifying about the parts of a Camera, different types of camera and also about different types of lenses.

Sir also explained about Wide angle, telephoto and a standard photo and details about the same. The shutter speed, flash and how to operate a camera at a beginner level was also demonstrated.

On the 2nd day of the session the lecture was concluded followed by demonstrations on how to use retractors, how to place a mirror while taking photographs of patient's mouth. Various patient positions were also explained. Overall it was a really informative lecture and a great experience for the interns batch.
