**NSS GIFTING FRESH AND PURE ENVIRONMENT**

Date: 1/02/2017

Venue: MGM University Campus, Kamothe

On 1<sup>st</sup> February, 2017, the NSS Unit MGM Dental College and Hospital, Kamothe, Navi Mumbai, organised a tree plantation event as a part of gifting fresh and pure environment. The main motive of tree plantation event is to promote greenery in our area, which is important for our environment to be free of pollution.

The event started initially by our respected Dean, Dr. Sabita M. Ram, planting a seedling and then followed by NSS volunteers. This event was also captured by TOI media and by this we tried to convey message to people about undertaking such tree plantation programmes in schools and colleges or anywhere in the society and keep our environment neat and green. A total of 50 plants were planted during this event.

This programme is believed to be effective in making our environment pure and restoring the greenery of our earth.
