**RPF Skit on Railway Safety & Security**

Date: 22/09/2016

Venue: Panvel Railway Station

On 22nd September 2016, the NSS unit of MGM Dental college performed enacted various skits on railway platform of Panvel. On the occasion of "Railway Protection Force" raising day we decided help our officers by spreading awareness on railway safety and security.

We covered topics in form of skit, speeches and charts. The following were the categories which were highlighted:

1. "Whistle alert" play which focused on Women safety and helping hand of RPF.
2. "Don't play on the board" covering consequences of performing stunts on board.
3. "Consequences of drug abuse" educating the audience to not stand mute witness and to report any suspicious activity which involve narcotics and psychotropic substances.

On this day, the NSS volunteers gave out a helping hand to our very own officers who on an everyday basis provide us with safety and protection.
