Eye Donation Awareness

Venue: Seminar room, Dept. of Ophthalmology,

MGM Medical College and Hospital

Date: 28/08/2018

The NSS Unit of MGMDCH in association with Department of Ophthalmology, MGM Medical College and Hospital, Kamothé had organized a session on Eye Donation Awareness on 28/08/2018.

To increase awareness and help solve various myths associated with donation, the Department of Ophthalmology also conducted a guest lecture by Dr. Jatin Ashar, Director, Sahiyara Eye Bank. The key topic of address was the procedure and legislation of eye donation. Sir also helped clear various common myths and elaborate some facts on eye donation. Team Sahiyara concluded their presentation with a meaningful role play act.

The faculty, Department of Ophthalmology were highly instrumental in persuading staff and students to pledge their eyes. Many interested faculty and students from MGMDCH were thoughtful and pledged their eyes in the following week. Overall the programme was a great success.

**Dr. Janaki Iyer and Dr. Vaibhav Thakkar (Program Officer, NSS Unit, MGMDCH)
at Eye Donation Awareness Programme.**
