Career Counselling

Date:18/08/2017

Venue: MGM Dental College & Hospital, Kamothe Navi Mumbai

On 18th August, 2017 NSS Team of MGMDCH actively participated in the guest lectures held by Indian Dental Association (IDA) conducted by various dignitaries regarding careers and scope in dentistry.

Dentistry in recent times offers rewarding career opportunities. Dental disorders have become a common problem among all sections of the society. With the advancement in technologies, the treatment have become specialised. The guest lecturers drew limitless possibilities in front of team NSS while explaining the new rising era in dentistry.

They pumped team NSS with great optimism and equipped with knowledge of different advancements happening around the globe. Take away message was- We are the flag bears of oral health, the association endeavors to meet the public needs and expectations which in turn will promote for well-being of nation.
