Visit to Naval Warship – INS Brahmaputra

Venue: Tiger Gate, Ballard Estate

Date: 06/10/2018

**“Either I will come back after hoisting the Tricolor, or I will come back wrapped in it,
but I will be back for sure” – Indian Navy.**

Indian Navy Week 2018 was celebrated from 29/09/2018 to 5/10/2018. As a part of Indian Navy's week 2018, the western Naval Command opened warships to civilian visitors.

NSS unit of MGDCH arranged a guided trip to naval warships on 6th October 2018. Two Program officers, accompanied by 64 volunteers were fortunate to visit **INS Brahmaputra**.

It was an immensely great experience to gather knowledge about the entire Western fleet. The officers on board enlightened us on their struggles and hardship while at sea. They had organized an elaborate tour on board so as to increase awareness on the various armamentariums, ammunitions, at sea security techniques etc. our student volunteers were extremely glad to meet with the Medical Officer on board – Dr. Lt. Saurabh Chakraborty, who elaborately spoke on the approaches on getting recruited in the Triforces post BDS. The volunteers had interactive sessions with many officers along the tour. This tour undoubtedly instilled a sense of respect and gratitude for the Armed forces and responsibility towards our Motherland. Jai Hind.
