#### Summary

MGM Dental College constantly takes efforts of extending the oral health care to the community. The oral care initiative involves imparting oral health education to the community. Due to COVID we started imparting oral health education through online medium with the intention of creating awareness related to oral health in various communities based on various topics related to oral health.

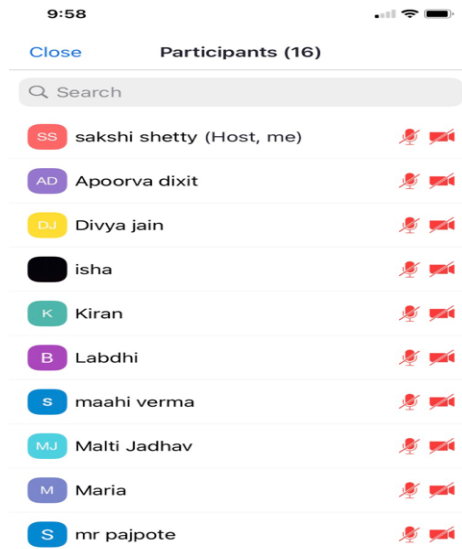

Thus, similar kind of activity was extended to participants at Samatha chs, Panvel. The activity involved a detailed talk on- Dental care during pregnancy. Online session was conducted by speaker Sakshi Shetty. The session included a high level of interaction between the participants & the speaker. The speaker used evidentiary support with varied AV aids to educate the participants.
