REPORT

Aim

The aim of the Blood Donation Drive was to create awareness about the importance of blood donation and to encourage students, faculty members, and staff to contribute towards saving lives through voluntary blood donation. The drive also aimed to promote a sense of social responsibility and humanitarian values among students.

Body

On the occasion of MAGNUM 2026, the Department of Oral Pathology and Microbiology in collaboration with the NSS Unit of Mahatma Gandhi Mission's Dental College and Hospital organized a Blood Donation Drive on 27th February 2026. The event was conducted in the Girls' Common Room from 9:30 AM to 2:30 PM.

The event received an enthusiastic response from students, faculty members, and staff who voluntarily participated in the noble cause of blood donation. Prior to the donation process, donors were guided and screened by medical professionals to ensure their eligibility and safety. Necessary precautions and hygienic measures were maintained throughout the camp to ensure a safe and comfortable experience for all donors.

The drive aimed to highlight the importance of blood donation in medical emergencies and for patients suffering from serious illnesses who depend on donated blood for survival. Volunteers from the NSS unit actively assisted in organizing the camp, guiding donors, and ensuring the smooth flow of the event.

The initiative not only contributed to the availability of blood for patients in need but also helped in spreading awareness about the life-saving impact of blood donation. The active participation and support from the college community made the event a meaningful and successful initiative.

Conclusion

The Blood Donation Drive proved to be a successful and impactful event that reinforced the importance of community service and compassion. It inspired students and staff to understand the value of donating blood and encouraged them to take part in such humanitarian initiatives in the future. Through this event, the NSS Unit once again upheld its motto of "Not Me But You", emphasizing service to society and the welfare of others.
