**REPORT**

As part of the MUHS Swachhata Hi Seva campaign, the NSS Unit of MGM Dental College & Hospital organised a Beach Clean up Drive on 4th October 2025. The activity aimed to promote environmental awareness, protect the marine ecosystem, and encourage students to actively participate in community service.

All NSS volunteers aided in removing plastic, glass, and general waste accumulated along the beach. This step created awareness about coastal pollution and its harmful impact on biodiversity & to involve students in hands-on environmental conservation. To practice responsible waste segregation and disposal.

The activity began at 7:30 AM with a brief orientation on safety, waste collection, and segregation. Gloves, masks, and bags were provided to all volunteers.

Students actively cleaned the beach stretch and collected a large quantity of plastic, glass, and general waste. After collection, the waste was properly segregated into plastic, glass, metal, organic, and non-recyclable categories. Recyclables were handed over for appropriate recycling, and the remaining waste was picked up by local waste management authorities.

The event was well-organised, smoothly executed, and showed excellent teamwork and participation from the volunteers, under the guidance of Dr.Saurabh Waghchaure .The clean-up made a visible impact on the cleanliness of the beach and helped raise awareness about marine pollution and environmental responsibility.

The Beach Clean-up Drive was a successful and meaningful NSS initiative, reinforcing the spirit of community service and environmental care.
