TREE PLANTATION DRIVE REPORT

Date of Event: 24th February, 2026

Venue: MGM Dental College & Hospital, Kamothe, Navi Mumbai Entrance Gate

Time: 10:00-11:00AM

Organisation: NSS Unit Of MGMDCH

No. of participants: Teaching:10, Students:50, Participants:12.

REPORT

The aim of the Tree Plantation Drive organized by the NSS Unit of Mahatma Gandhi Mission Dental College and Hospital was to promote environmental awareness among students and encourage active participation in protecting and preserving nature. The initiative aimed to contribute towards increasing green cover while instilling a sense of responsibility towards environmental sustainability and community welfare.

On 24th February 2026, the NSS Unit of Mahatma Gandhi Mission Dental College and Hospital organized a Tree Plantation Drive as part of MAGNUM 2026. The event was conducted at the entrance gate of MGM Medical College from 10:00 AM to 11:00 AM with enthusiastic participation from students, faculty members, and NSS volunteers.

The program began with a brief address highlighting the importance of trees in maintaining ecological balance and reducing environmental issues such as air pollution, global warming, and loss of biodiversity. Saplings were planted around the campus area with the aim of improving the green environment and creating a healthier space for everyone.

Students actively participated in planting and watering the saplings. The activity created a sense of unity and teamwork among the participants as everyone worked together for a meaningful cause. Planting trees not only contributes to environmental protection but also promotes a sense of emotional satisfaction and responsibility among students. Being involved in such activities helps students feel connected to nature, reduces stress, and encourages a positive and mindful outlook towards their surroundings.

The presence of greenery in educational institutions has been shown to enhance concentration, reduce anxiety, and create a calm atmosphere for students. Through this initiative, the NSS unit encouraged students to appreciate nature and understand the long-term importance of protecting the environment.

The Tree Plantation Drive proved to be a successful and meaningful initiative. It not only helped increase awareness about environmental conservation but also inspired students to adopt eco-friendly habits in their daily lives. The event encouraged participants to recognize their role in building a sustainable future while also promoting emotional well-being through connection with nature. Such initiatives by the NSS unit play an important role in nurturing socially responsible and environmentally conscious individuals.

Dean Mam of MGDCH Heading Towards the Entrance Gate with NSS Volunteers for Tree Plantation

NSS Volunteers all ready to make the environment a better place by planting the trees.

NSS PROGRAM OFFICERS planting the trees to commence the event.

All the Nss Volunteers with Happy faces after planting the trees.

LIST OF PARTICIPANTS

List of Teaching Staff:-

Sr. No.	Name of the Teaching staff
1	Dr. Vaibhav Thakkar
2	Dr. Pankaj Londhe
3	Dr.Agraja Patil
4	Dr. Ragini Sanaye
5	Dr. Kamlesh Dekate
6	Dr. Vineet Kini
7	Dr. Khizer Syed
8	Dr.Aishwarya Patil
9	Dr.Saurabh Waghchoure
10	Dr. Bharat Gupta

List of Students :-

Sr. No.	Name of Students
1	Vaibhavi Rajadhyaksha
2	Rituja Neroorkar
3	Veda Desai
4	Arihant Lalwani
5	Shreya Mate
6	Keval Salot
