(DEPARTMENT OF PUBLIC HEALTH DENTISTRY)

Title of the Programme: Glycemic Control among Diabetic Patients for Maintenance of Good Oral Health

Date : 24th February, 2022

Target Audience: Faculties and Interns

Resource Person : Dr. Shrushti Sukalkar

Program Report

The Department of Public Health Dentistry, MGM Dental College and Hospital, Kamothe, Navi Mumbai, had conducted a scientific activity program on "Glycemic Control among Diabetic Patients for Maintenance of Good Oral Health" on 24th February 2022.

Details of the program are as follows:

No. of Participants – 40

Speaker – Dr. Shrushti Mahendra Sukalkar

Credentials –

Dr Shrushti Mahendra Sukalkar is a versatile healthcare and dental professional with good experience in dentistry and clinical management. She is an Assistant Professor in Periodontology at D.Y Patil School of Dentistry and completed her MDS in Periodontics from MGM Dental College and Hospital, Navi Mumbai in 2021.

Course Summary –The participants attended the lecture and participated in the related discussion. The interaction was done with all the participants during the session by the speaker. The daily feedback and program evaluation feedback was obtained by all participants.

Overall Feedback Report

The program was well accepted by the participants. The guest lecture was followed by an interactive session wherein the participants cleared their doubts with the guest speaker. A feedback was obtained from the participants at the end of the session using a Google form. As per the feedback responses, the program was very well organized with almost 74% of the participants rating it as excellent, 26% rating it as good and followed a timely schedule. Majority of the participants felt that the objectives of the lecture were achieved. The lecture presentation by the guest speaker was excellent with appropriate use of A-V aids.
