# Shared shelves

### WHAT IS A BOOK SWAP?

The idea is pretty simple: the members bring books to share, and the accumulated books are then redistributed to new owners.

# WHY PARTICIPATE IN A BOOK SWAP?

Avid readers hoard books like squirrels hoard nuts, but even the most relentless pack of rats can run out of space. This very interaction of "discovering" a book that a stranger has left to borrow is what makes it exciting but also demonstrating selfless actions that may be replicated by the community as a whole. It is a great combination of building togetherness and literacy. It's a win-win because everyone gets to enjoy a new book without needing to spend the extra cash making more space at home to store old books.

That's where book swapping comes into the picture. Your old book finds a reader, and in return, you get a new used book to read.
