## **MGM DENTAL COLLEGE & HOSPITAL**

MGM Dental College, Navi Mumbai has earned a name for imparting quality education, excellence in research and providing community health services since its inception. The College is determined to train the budding doctors to acquire clinical acumen and skills as well as promote and conduct research relevant to local, regional and national needs. The institution is also known for its social awareness campaigns especially for tobacco cessation and oral cancer prevention by frequently organising screening camps through the college and its satellite centers thus promoting community service.

## **WORLD CANCER DAY**

Each year on 4<sup>th</sup> february “The World cancer day is celebrated to inspire personal and collective efforts in raising awareness and making progress in prevention, detection and treatment of all forms of cancer. It is led by the Union for International cancer control (UICC) and is an opportunity for the community to join together and act together for cancer free world. Oral cancer is among the 10 most cancers in the world. We as oral health care professionals take this opportunity to promote oral cancer prevention strategies ad advocate early detection of oral cancer by undertaking screening camps.
