Research Spiral

Date-13/09/17

Venue- MGM Dental College & Hospital, Kamothe, Navi Mumbai.

On 13th September 2017, The NSS unit of MGM Dental college along with The Scientific Society and the Department of Public Health Dentistry, MGM Dental College and Hospital, Kamothe, Navi Mumbai organized a CDE program titled “Research Spiral: Research for Undergraduates”. The speaker of this event was Dr Pradnya Kakodar who is a professor of Public Health Dentistry from Dr D.Y. Patil Dental College and Hospital, Pune. The event started at 11am in lecture hall number 1. The program covered topics from Introduction and steps in research to publication of research. Later, it was followed by an active interaction with the students.
