NSS Dental Check up Camp at CKT College

Venue: CKT College, Khanda Colony

Date: 05/8/2018

On the 5th of August, 2018, NSS Unit of MGM Dental College and Hospital, Navi Mumbai, participated in a medical camp at CKT College in Khanda Colony, Panvel. The event started at 8 in the morning with all the volunteers ready in white aprons and a positive attitude. The camp focused at building awareness in society about various oral health issues, their prevention and treatment. The goal of this event was to hear problems out whether it was about tooth sensitivity and dental pain or about missing teeth, then to make the correct diagnosis and give treatment options to the men and women attending the camp. Correct brushing techniques and improved ways to maintain dental hygiene was also highlighted upon.

Alongside various hospitals from all over Navi Mumbai, hundreds of doctors and volunteers, MGM Dental college's NSS Unit worked to provide Dental care and education to the camp attendees requiring the same.

The following steps were undertaken by the volunteers and assisting staff:

1. Registration of individuals seeking dental/oral care and processing of all other necessary information.
2. Thorough recording of medical/dental history with facilities available for confidential discussions between the individuals and staff/volunteers.
3. The individuals seeking dental/oral care were provided with a provisional diagnosis of their condition with counselling for management and treatment.
4. Individuals were educated about the necessity of maintaining good oral hygiene.

5. The association between oral and systemic health was emphasized.

The camp, which also attempted at such a big scale proved fruitful as a great number of people participated in the programme.
