From 17/10/2016-24/10/2016, the NSS Unit of MGM Dental College And Hospital, Kamothe, Navi Mumbai organised Helping Wali Happy Diwali project in which the volunteers sold the diyas in the college. The money that was collected was donated to RSS (Raghu Shakti Sena) sanstha in Thane.

This project was the action towards the make in India messages that we receive every year during Diwali. We sold Diyas made in India. The diyas were made by cottage industry in rural India. Buying these was a great help to the potters.

The amount of money we invested in buying diyas was Rs.4000 and the amount of money collected after selling the diyas was Rs. 6120, which was only possible due to immense support of DEAN and the STAFF members from MGM Dental College.

The profit that was made (Rs.2120) was used for buying Diwali sweets and fruits for the orphanage in Kalamboli known as GYAN ashram. The main motive was to help people celebrate Diwali in a better and cheerful way. The NSS volunteers spend some quality time with the kids at orphanage during their

visit by playing games and reading books. Also the volunteers had an opportunity to celebrate the birthday of a boy on the day we visited GYAN ashram.
