On the 29th September, 2018, MGM Institute of Health Science, Navi Mumbai celebrated "Surgical Strike Day" as a common event for the entire MGM Educational Campus, Kamothe, Navi Mumbai.

To celebrate this occasion in a befitting manner, MGMIHS invited the various Ex-Servicemen as guest speakers to sensitize the audience about the sacrifices made by the Armed Forces in protecting the borders.

The event was attended by students and teachers from all over the campus as well as the NSS unit of MGM Dental College and Hospital. The event was hosted by our Administrative Officer Lft. Cdr. Chhavi Rathi (R) and was followed by the messages by:

Brigadier SC Sharma, War Veteran, Indian Army

Brigadier Atmaram G Shandil, War Veteran, Indian Army

Commander GS Solanki, War Veteran, Indian Army.

It was a successful event as very few people know about our war heroes. This event gave the audience an insight of the experiences of these brave men on the borders of the nation.

It was an ode to their valour and remembrances of their sacrifices. The event ended with the national anthem and the audience dispersed with great pride for our country.
