ATR for SSS – 2018-19

1. Sensitization of students about the syllabus before commencement of course. Also topic wise emphasis will be given to must know, nice to know aspects of the topic as per syllabus.
2. Lesson plans to be prepared topic wise in departmental meetings and faculty to adhere to the same to ensure standardization.
3. Model answer keys to be made and adhered to for standardization. All faculties to participate in evaluation and question wise allotment to be done to faculty to eliminate bias.
4. A lecture to be dedicated for discussion of answer key of IA exam papers and problem solving.
5. Increase the scope of the field visit.
6. Orientation program will be held on the first day of every academic year emphasizing the expected outcomes subject wise and other protocols for that academic year.
7. Faculty to undergo refresher course in Teachers training program after every 3 years.
8. Introduction and Orientation to the subject to be done by head of the department. Rapport between staff and students to increase. Peer influence on attitudes and attributes of faculty should be minimized by counseling.
9. Innovative teaching approaches with problem solving; reflective learning and tips on applied clinical aspects should be practiced.
